◆ Precautions ◆ Important information is listed below. Please check it before your application.

- (1) If JETRO receives the number of applications, it's required before deadline, JETRO will decide to close the application entry.
- (2) If the exhibitor wishes to change the contents which it have filled in the "Application form/Letter of Acceptance", please provide JETRO with a written notice of request. In addition, it may not be acceptable to make the change after the application deadline.
- (3) JETRO will decide the location of each exhibitors booth in consideration of the application order, number of booths, exhibit products, category of business, and other issues. On the occasion of position decision of each exhibitor, JETRO will not accept all the demands from the exhibitors.
- (4) It is required that JETRO will approve the applicant's suitability as an exhibitor.
- (5) The exhibitors should observe the rules of the organizer (Lagos Chamber of Commerce & Industry), the laws or ordinances of Nigeria.
- (6) Transferring booth rights, buying and selling, exchanging, subleasing exhibit space to another company is prohibited for any reason whatsoever.
- (7) Exhibitors are kindly requested to cooperate with surveys, before, during and after the event so that JETRO can measure the outcome of the Fair.

(8) JETRO plans and implements the overall configuration and basic design of the venue, layout and basic booth (facilities, furnishings, and fixtures, etc.) to ensure coordination and overall harmony. The Exhibitors exhibit their products and decorate their booths, if they have chosen space only on their application.

(9) Any materials for decoration by exhibitors, which disfigure the harmony and coordination of the entire Japan Pavilion or which will disturb or inconvenience other exhibitors, may be changed or removed from the venue based on judgement and instructions of JETRO.

(10) Personal information provided by exhibitors may be provided to designers, builders, local buyers, organizers, and other third in purpose of operating Japan Pavilion. In addition, information on companies and exhibitors may be disclosed in press releases related to the trade fair, or uploaded on JETRO's/Organizer's website

(11) Exhibitors shall confirm the related IPs beforehand if need arises. Also, they shall transport and import goods to exhibit in accordance with Nigerian laws and regulations. Violations may result in the rejection for current or future exhibits operated by JETRO.

(12) JETRO reserves the right to make changes to this Guidance in case the organizer requests or directs changes to the operation of the exhibition.

(13) Cancellation of the participation of Japan Pavilion

1. JETRO may cancel the participation of Japan Pavilion at the Lagos International Trade Fair 2022 in case of any of the following events:

- a. When the trade fair must be canceled due to war, political instability, natural disasters or for other reasons, which are not attributable to JETRO's responsibility;
- b. When changes have been made to the date, method of holding the trade fair or other conditions;
- c. When it is no longer possible or appropriate for JETRO to participate of Japan Pavilion, due to political instability, diplomatic or economic relations between Japan and the country concerned or for other unavoidable reasons.

2. In the event that a trade fair is canceled for one of the reasons specified above, JETRO shall decide on what course of action to pursue with regard to matters such as the adjustment of exhibition fee, the additional expenses to be borne by exhibitors, and the handling of the exhibit products, and exhibitors shall follow JETRO's decision.

◆Precautions◆

Important information is listed below. Please check it before your application.

(14) Indemnification

If the events described above (10) or in "20.Matters not covered by the regulations" of "Participation Regulations for the JETRO Trade Fair" should occur, JETRO shall not be held liable for any damages or losses to the exhibitors which may be caused by such events.

(15) All expenses concern with payment for exhibition fee must be covered by the exhibiting applicant. If the amount of payment is less than the total exhibition fee and the exhibiting applicant does not pay the balance by the deadline, JETRO considers it to be the cancellation of the exhibiting application by that the applicant.

(16) If exhibition fee are unpaid, applicant cannot participate as an exhibitor. Please pay all fees within the deadline for payment.

(17) JETRO have made two exhibition rules for the exhibitors as follows: this "Exhibition Guidelines" and "Participation Regulations for JETRO Trade Fair". JETRO would however, advice exhibitors to pay more attention to the "Exhibition Guidelines" as regards to its detailed contents.

(18) Each exhibitor shall stand as witnesses when work is undertaken to deliver, unpack or install, etc. the exhibit products in the exhibitor's booth(s). Each exhibitor shall be in attendance at its booth(s) during the trade fair to enhance the effect of the exhibit displays and to provide information on the exhibits, deal with inquiries and engage in business meetings. The exhibitor shall also stand as a witness during the disposal of the exhibits after the end of the trade fair to ensure a smooth clear-up/clean-up.

(19) The exhibitors cannot exhibit the products of a forgery, defective, rights abuse intellectual property rights. In addition, about the exhibit products, pictures, music to use in the Trade Fair venue, the exhibitors should prevent from infringing on copyright. When the exhibitors reproduce a recording instrument for a performance, the audio system video of the music for exhibition, a demonstration, the processing procedure for the copyright is necessary.

(20) JETRO will inform to the exhibitors the detail about future preparations such as decoration of basic booth, moving in products, etc. after decision of their participation.

(21) About every unpredictable matter which can occur in the trade fair, Japan Pavilion, JETRO cannot take responsibility.

(22) Please acquire permission in the responsibility of exhibitors about the exhibit products with the fate in the national laws such as the Foreign Exchange and Foreign Trade Act beforehand.

<Security Export Control Policy>The Ministry of Economy, Trade and Industry, Japan

<https://www.meti.go.jp/policy/anpo/englishpage.html>

◆ Transportation /Customs◆

(1) **In this trade fair, spot sales are admitted by organizer (Lagos Chamber of Commerce & Industry).**

As for the products that have been passed customs, spot sales are possible, and yet at the same time, depending on a product, please check regulation about the products because the certification such as STANDARD ORGANISATION OF NIGERIA (SON) or NATIONAL AGENCY FOR FOOD AND DRUG ADMINISTRATION AND CONTROL (NAFDAC) is required. Please refer to JETRO Lagos (info_lagos@jetro.go.jp) for the details, if you have question.

(2) It takes so long time to entry to Nigeria of transportation. When it will be transported from Japan, JETRO recommend it so that it will be prepared as soon as possible.
