●	Alcoholic beverages (except medicine)		Other foods and processed foods				

Company outline

Gosen City in Niigata Prefecture is literally where five fountains spring out. Sugana-dake, a mountain in which beech forests grow in colonies, rises in the eastern side of the city, while towns in Gosen City spread from the foot of the mountain. These are the surroundings in which we brew sake, with superb water available and reflecting our community-based and customer-first policy. We strive for interactive sake brewing.
