<input type="checkbox"/>	<input type="checkbox"/> Outwears	<input type="checkbox"/>	<input type="checkbox"/> Other textile and apparel products
Company outline			
Established in 1816, Gyokusendo, is a family run workshop specializing in hand-hammered (tsuiki) copperware. Using techniques which are nationally designated as an intangible cultural property, each of Gyokusendo's pieces are hammered and coloured individually by hand. Whether it is a kettle or a sake cup, the pieces are meant to be used for a lifetime and even passed on through the generations.
