Company outline						
<p>Since our founding in Niigata in 1950, the heartland of rice, we have put our hearts into making immaculately tasting rice crackers. From polished rice to flavoring and packaging, we carry out the entire production process in our company's workshop using high-quality glutinous rice grown in Niigata.</p> <p>[Characteristics of Sakura-do]</p> <ul style="list-style-type: none"> • Uses Niigata rice, one of the highest quality kinds of rice of those grown in Japan. Sakura-do uses rice grown under contract in Niigata prefecture through which we can observe it being grown. • Won the Grand Prix at the National Confectionery Grand Exhibition, the Olympics of confectionery, twice in a row. <p>Through the handwork of artisans that can not be reproduced on a large scale, we continue to safeguard the traditional taste of the countryside, fully bringing out the inherent flavor of rice and painstakingly making rice crackers one by one.</p>
