Minimum lot for order	
10 piece(s)	
Retail price in Japan (yen) *excluding tax	
35,000 JPY	

Place of production/processing						
Niigata						
Materials						
stainless						
Selling point						
This all-stainless steel kitchen knife is integrated with its blade and tang, and adopts a monocoque structure that forms a hollow cavity in the center of the handle. This makes it possible to reduce the weight and prevent the welded joint from being broken.
