Barley(Japanese barley), Barley koji(Japanese barley)			
Selling point			
This is a premium shuchu stored for a long time based on the shochu stored in a cask for 6 years. By filtering the			
unprocessed shochu at minus 20 degrees Celsius, we could extract the clear aroma. It is a specialty with a luxurious			
smooth aftertaste containing 40% alcohol. Now available in Toronto, Canada.			
Flavor	The lease is a set		
Aroma: Barrel aroma that becomes more fragrant with time. Smoky aroma whiskey.	. The taste is remi	niscent of fine	
The aftertaste is very long, and the barrel flavor can be detected on the back	rk end.
