## Selling point

Here is a barley shochu with a special taste moderately remained after drinking, with the harmony of the "refined and fragrant flavor" provided by domestic two-rowed barley and the "faint sweetness" extracted from rice used for the rice malt.

## Flavor

The aroma is of barley with a hint of white rice. The mellow taste in the mouth becomes crisp and clear as it passes down the throat. Overall, it has a powerful sense of volume, with a lingering sweetness.
