## Selling point

Sengamejo -Murasaki- is the Gold winner in IWSC2021. The IWSC is the world's largest and most influential international spirit awards. It is a crafted sweet potato shochu that uses a traditional wooden distiller. And it is made from the "purple" sweet potato that has aromas like a red wine. These give aromas including red-fruit, cashew nuts, buttered popcorn and a touch of earl grey tea, and the long sweetness.

## Flavor

Intensely aromatic with notes of red fruit, cashew nuts, buttered popcorn and a touch of earl grey tea which comes through stronger on the palate. Delicate and light yet packed with flavour, hints of kirsch offer sweetness. Long and expansive.
